

The Era of Presence in the Abrahamic Religions

The era of Advent, the era of human flourishing and the world, the era of the great ideals of the prophets and apostles, and last ring of the eternal struggle between truth and falsehood and the oppressed and the oppressors and is the ultimate triumph of truth and the oppressed. Belief in achieving this state for human will be a source of hope and encouragement for involvement. Certainly, it can be the subject of extensive study to refine them and answer the questions related to its evidence. Moreover, research can play an important role in outlining the parameters that a Waiting community has to obtain. Research about The Era of Presence can be done with both traditional and analytic approach, analytical approach being reflected on less. Thus, the Bright Future Institute (Institute of Mahdaviat) dedicated the theme of the Thirteenth International Conference of Mahdaviat Doctrine to this topic to help open up a new chapter in front of the research for researchers and thinkers.
